

Centre for Environmental Education

CASA MARINA

In the hearth of the Regional Park of Euganei Hills, in Galzignano, province of Padova, on the East side of Monte Venda, in one of the most beautiful environmental areas, Casa Marina is the Centre of Environmental Education of the Park. Due to its location, in a natural environment, it's easy to get in harmony with nature, history and human activities. Ideal starting point for many excursions, trekking, bike riding, horse riding to discover the beauty of the Euganean territory. Casa Marina hosts an interesting botanical garden with an area of medicinal plants. It's also an hostel with 24 beds. It's the ideal place for family groups, associations, trekkers, summer camps.
